IMPORT TRADE CONTROL

New Delhi, the 28th September, 1950

SUBJECT.—*Licensing of imports of vulcanised fibre in sheets, rods and tubes for July—December 1950 and January—June 1951*

No. 119-ITO(P.N.)/50.—Attention is invited to the Ministry of Commerce Public Notice No. 14-ITC(P.N.)/50, dated the 15th June, 1950 laying down the principles governing the issue of licences during the period July—December 1950 and advance licences for January—June 1951. It will be noticed from the entries in columns 4, 5, & 6 of Appendix B of this Public Notice against Serial No. 119 of Part V of the Import Trade Control Schedule that no provision has been made for the licensing of imports of vulcanised fibre in sheets, rods and tubes from the Dollar area.

2. It has now been decided, however, to issue licences for the import of these goods from that area on a quota of 100 per cent. of half of the best year's imports to Established Importers, and to Actual Users to cover their six months' requirements as certified by the State Directors of Industries or the Directorate General of Industries and Supplies, New Delhi. This decision will apply both to July—December 1950, and January—June 1951.

3. Licences for imports for the above goods by Actual Users from the soft currency area will also be granted to the extent of six months' requirements, subject to the condition that no applicant will be granted licences for more than six months' requirements in the aggregate from both areas for each six monthly licensing period. This decision also applies to July—December 1950 as well as to January—June 1951.

4. Applications should be submitted in the form and manner laid down in Public Notice No. 14-ITC(P.N.)/50 dated the 15th June, 1950
